Dedication

TO

CHARLES H. CURRENS

WHO HAS BECOME DEAR TO OUR HEARTS AS A "GOOD STEWARD OF THE MANIFOLD GRACE OF GOD"—WHOSE FELLOWSHIP AND GODLY INFLUENCE HAVE BEEN DEEPLY FELT IN OUR LIVES—WE, IN SINCERE JOY AND APPRECIATION, DEDICATE THIS VOLUME.

Class of ’36
To record a few glimpses of our work and play, of our fellowship in Christ, and of God's gracious provision for our needs and those of our school during the year has been our aim and desire in this little book. We have sought to uphold the sacred ideals of Christianity for which William Jennings Bryan, the Great Commoner, lived and died—ideals which will endure the test of time and continue to live in the hearts of God-fearing men and women.
Expounder of the Word of Life.
Mr. Bryan's Bible Class at Miami, Fla.

☆ Administration ☆
Seniors and Friends:

As we have worked here together in this "testimony to the supreme glory of the Lord Jesus Christ and to the Divine inspiration and infallibility of the Bible", we have committed a like task to you for the larger world you are now entering.

Urge all men to accept the Father's purpose to have Christ preeminent in all things, and to ordain their lives in accordance with the Divine program for the ages as revealed in His Holy Word. Emphasize that the fullness of Eternal Life, as imparted by the Father through the Son, and the instrumentality of the Holy Spirit and the written Word, is the final and only true measure of fitness in God's sight.

Without underestimating the worth of facts, we must warn that there is real peril in a surplus of facts without wisdom that is of God and that honors God. Life often becomes a curse instead of a blessing.

My prayer is that you will seek and follow God's plan for your life and realize the wonderful results of walking and working with Him. May a faith like that of Mr. Bryan support you in the trials that are sure to come.

Cordially your friend in Christ,

Colossians I.

The Debating Club, although organized this year, is one of the most active organizations in the University. Having charge of the chapel program each Saturday morning, it has sponsored some of the best programs of the year. A lively interest has been manifested by the members in debating questions both serious and humorous.

Christian work, such as preaching, teaching, singing, and personal evangelism, was stressed by the Association throughout the year; regular services were held by ministerial students in Dayton and the surrounding communities of Pleasant Dale, Salem, Norman's Chapel, Montague, Graysville, Sale Creek, and Garrison.

At the Wednesday evening meetings Dr. Currens, faculty adviser, taught homiletics and gave messages on personal work.

Throughout the year the Association distributed many tracts and gospels in the vicinity of Dayton.

We gratefully praise our Father for His benediction on the work this year and look forward to greater blessings in the years to come.

After praying for the Lord's guidance in the organization of a Baptist Student Union on the Bryan campus, a group of thirteen Baptist students met and elected officers Tuesday, February 18. The purpose of the B. S. U. is to co-operate with the other Christian organizations of the University in their work in the churches and Sunday Schools of the surrounding communities.

Entering the field with a membership of four, later increased to seven, the Saved-by-Grace Messengers have co-ordinated their efforts with those of the George E. Guille Ministerial Association as they have each Sunday journeyed to one community or another, organizing a Sunday School here, reviving a church there, holding services for this ministerial student or that anywhere—preaching the Gospel of salvation through the Grace of Jesus Christ everywhere.

This group, the “light cavalry” of religious activities at Bryan, is the first of a number of similar groups yet to be organized. Singing, teaching, preaching the Word of God where opportunities to hear it are slight, the Messengers, having themselves laid “hold on eternal life . . . fight the good fight of faith” that others might know the joy of salvation.
Chapel Messengers

The Chapel Messengers, organized last November, have been consistently active in gospel work since then, having full charge of the Sunday School and church services at Norman's Chapel, as well as helping in various services in the vicinity of Dayton.

Traveling the rough but beautiful country roads through sunshine, snow and rain, the members of this group have enjoyed the thrill of driving to the foot of the mountains each Sunday, crossing three fords, to carry the Word of Life to a neglected community. As God's word has been given out, His blessing has been upon the work, for which we humbly thank Him.

⭐ Features and Activities ⭐
The Choral Class is composed of students especially interested in music for ensemble singing. Its purpose is to train voices to sing to the glory of God. During the year the group has appeared in many programs, their special appearances being the singing of selections from Handel's "Messiah" at Christmas and "The Greatest Love," by H. W. Petrie, at Easter.

THE NEW CHAIN-REFERENCE BIBLE

Truly a Bible Plus a Biblical Library in One Volume

(THIRD IMPROVED EDITION)

EDITED BY REV. F. C. THOMPSON, D.D., PH.D.

Not an ordinary Reference Bible with the usual associated "Hertz." This is the only work of its kind in the world. New! Different! Better! The only Bible with all the boons opposite the verses or directly connected with them. The only Bible analyzed by Book, Chapter, and Verse. The only Bible containing thoughts linked with references, supporting oher spiritual meaning. A great addition to Bible study.

And of course only this Bible offers the famous Numerical Chain Reference System. "The greatest development in Bible History for a generation." No other Bible is so closely attuned to this progressive, busy age, or offers so many as over 100,000 references analyzed and classified according to thoughts in the verses. Only in this work will you find the true truths of the Bible taught by context. And every portion of inspiring information is made instantly available through the most complete General Index ever devised for a Bible—over seven thousand topics, names and places.

The Revised Version is given in the wide margins opposite the verses, wherever an important difference in meaning occurs.

ENDORSED BY LEADERS

No Bible has ever before even the praise of so many renowned Bible students and workers. Emperor Theodore: "And whom else join the ministers in praising the New Chain Reference Bible, because they have found me, in serious need, to be far the most valuable and practical working Bible ever published.
